

PROVISION
of the Professional Competition within the XI Open Festival-Competition
of Snow and Ice Sculptures “Magic Ice of Siberia” in 2027

I. General provisions

1. This Provision regulates the holding of the Professional Competition within the XI Open Festival-Competition of Snow and Ice Sculptures “Magic Ice of Siberia” held in Krasnoyarsk in 2027 (hereinafter referred to as the Professional Competition).
2. The Professional Competition will be held in Krasnoyarsk **from January 4 to January 10, 2027.**

II. Purpose and tasks of the Professional Competition

3. The purpose of the Professional Competition is to familiarize the residents of the city of Krasnoyarsk with the achievements of modern culture and to create and support cultural traditions that ensure an improvement in the quality of the urban environment, the identity and uniqueness of the city of Krasnoyarsk on a global and regional scale.
4. The tasks of the Professional Competition are:
 - to create the conditions for the development of the Krasnoyarsk school of snow and ice art;
 - to provide opportunities for creative self-realization for ice and snow sculptors;
 - to organize a professional creative platform for exchanging best practices and new ideas;
 - to popularize fine and decorative arts;
 - to create the conditions for high-quality content-rich leisure of Krasnoyarsk residents and city guests in the winter season;
 - to create the conditions for the development of ecological event tourism in Krasnoyarsk.

III. Founders, organizers and partners of the Professional Competition

5. The Professional Competition is founded by the Krasnoyarsk City Administration, (hereinafter referred to as the Founder), the co-founder of the Competition is the Main Department of Culture of the City Administration (hereinafter referred to as the Co-Founder).
6. The organizer of the Professional Competition is the Municipal Autonomous Institution “Krasnoyarsk City Park” (hereinafter referred to as the Organizer). The Organizer may provide for the participation of an artistic director as part of the Professional Competition.

7. The partners of the Professional Competition are: the Main Department of Physical Culture, Sports and Tourism of the Krasnoyarsk City Administration, the Main Department of Youth Policy of the Krasnoyarsk City Administration, the Krasnoyarsk Regional Organization of the All-Russian Creative Public Organization “Union of Artists of Russia”, mass media (hereinafter referred to as the Partners).

IV. Participants of the Professional Competition

8. Participants of the Professional Competition are the teams composed of professional painters, sculptors and architects.
Citizens of the Russian Federation, as well as citizens of near and far abroad who have reached the age of 18, may take part in the Professional Competition.

V. The procedure of the Professional Competition

9. The Professional Competition is held in two categories: “Snow” (10 teams) and “Ice” (10 teams).
Each team in the “Snow” category should include 3 people older than 18 years; each team in the “Ice” category should include 2 people older than 18 years.
10. The venue of the Professional Competition: Russian Federation, Krasnoyarsk city, Theater Square and Central Yenisei River Embankment.
11. Program of the Professional Competition:
 - Day 1 (04.01.2027) – participants’ registration, drawing lots;
 - Day 2 (05.01.2027) – opening ceremony of the Professional Competition;
 - Days 1-5 (04.01.2027 – 08.01.2027) – working on sculptures;
 - Day 6 (09.01.2027) – judging;
 - Days 6-7 (09.01.2027 – 10.01.2027) – public voting, city tour of Krasnoyarsk for the participants;
 - Day 7 (10.01.2027) – closing ceremony of the Professional Competition (winners announcement and awards ceremony).

VI. Terms of participation in the Professional Competition

12. The participating teams must submit their application for the Professional Competition no later than November 2, 2026, by completing the electronic application form and attaching a preliminary design (sketch) in PDF or JPEG format, along with a consent to personal data processing (filled in and signed separately by each team member). These must be submitted via the official website of the Municipal Autonomous Institution “Krasnoyarsk City Park” under the “Magic Ice of Siberia” / “Professional Competition” tab: <https://krasgorpark.ru/volshebnyj-led-sibiri> (English version). The application form is provided in Appendix 1 to this Provision, and the consent form for the processing of personal data is provided in Appendix 2. To participate in the Professional Competition, the participating teams must submit a sketch for a single sculpture based on the competition's theme. The theme of the Professional Competition is “Magic Ice of Siberia: An Ice Map of the World,” dedicated to the Year of Geography in Russia. As part of the Professional Competition, artists may present ice and snow compositions that reflect the natural

and cultural diversity of not only our country but the entire planet. Subjects may range from iconic man-made structures to magnificent natural landscapes from all continents.

Teams participating in the sketches selection process for the “Snow” and “Ice” categories must submit a sketch for a single sculpture in accordance with the Professional Competition's theme.

Mandatory application requirements:

- 1) the sketch has a title;
- 2) the title corresponds to the content of the sculpture sketch;
- 3) the format of the sketch file is PDF or JPEG, A4 size, with a clear outline, not darkened;
- 4) completed application form and consent to personal data processing are submitted.

13. The selection of sketches for participation in the Professional Competition is held until November 10, 2025 by a special commission.

The commission is formed by the Organizer of the Professional Competition from representatives of: the Krasnoyarsk Regional Organization of the All-Russian Creative Public Organization “Union of Artists of Russia”, the Krasnoyarsk City Administration, professional sculptors, representatives of the city's public and is approved by the order of the Municipal Autonomous Institution “Krasnoyarsk City Park” not later than November 2, 2026.

The minutes of the commission's decision are posted on the websites of the Krasnoyarsk City Administration and the Municipal Autonomous Institution “Krasnoyarsk City Park” not later than November 17, 2026.

After the approval of the sketches, the Municipal Autonomous Institution “Krasnoyarsk City Park” sends the participants an official invitation with the terms of the Professional Competition not later than November 21, 2026.

14. Technical conditions

- 1) Each team participating in the Professional Competition in the “Snow” category is provided with 1 snow block 3m*3m*3m size. Participants are allowed to use only snow and water. It is forbidden to use colors and other materials.
- 2) Each team participating in the Professional Competition in the “Ice” category is provided with 3 ice blocks of 1m*2m*0.3m size. Participants are allowed to use only ice, water and materials which are obtained in the process of ice handling.
- 3) It is forbidden to use artificial supports, decorative ornaments and colored painting of the ice and snow. Teams are allowed to use both manual and mechanical tools during the process of creating the ice and snow sculptures. Each team should bring their own tools.
- 4) Finished sculpture should match the sketch.
- 5) At the end of work each team should prepare the stage which contains their ice or snow sculpture for the final presentation and judging.
- 6) The working hours for teams at the Professional Competition venue are from 09:00 to 23:00; upon the expiration of this time, teams are required to leave the Competition premises.

15. Each participant of the Professional Competition must have medical insurance and is personally responsible for complying with the rules of safety and labor protection.
16. The Organizer of the Professional Competition is not responsible for the equipment and personal belongings of the participants used during the Professional Competition.
17. The participants of the Professional Competition are personally responsible for the infringement of the copyrights of third parties.

The Founder, Co-Founder and Organizer of the Professional Competition have the right to use photo and video materials depicting ice and snow compositions created during the Professional Competition within the limits of the norms established by civil law.

VII. Jury of the Professional Competition

18. The jury of the Professional Competition is formed by the Competition Organizer from among professional artists and sculptors from Russia, near and far abroad, representatives of the public and the Krasnoyarsk City Administration and is approved by the order of the approved by order of the Municipal Autonomous Institution “Krasnoyarsk City Park” no later than December 30, 2026.
19. Points are awarded by each jury member according to the criteria for evaluating the sculptures **until 14:00 on January 9, 2027**.
The total score is the sum of the points of all jury members.
In their work, when determining teams competing for 1st, 2nd, 3rd places, the jury members use a rating system of evaluation in accordance with the criteria for evaluating the sculptures.
The winner is the team that has scored the maximum number of points according to the jury's assessments.
If the teams vying for victory in the Professional Competition score an equal number of points, the winning team is determined by a jury vote.
20. Criteria for evaluating the sculptures:
 - 1) technique and skill in processing the material;
 - 2) creativity, originality of design, artistic expressiveness;
 - 3) subordination of details to the larger form;
 - 4) expressiveness of texture rendering;
 - 5) maximum and rational use of working material;
 - 6) degree of completion of the work;
 - 7) general impression.The maximum score for each criterion is **10 points**.
21. The Audience Choice Award is awarded to the winning team after the total number of votes from the online voting in the VKontakte group “Window to Culture” (https://vk.com/okno_v_kulturu). Online voting will take place from 14:00 on 09.01.2027 to 14:00 on 10.01.2027.

VIII. Awarding of the winning teams of the Professional Competition

22. The awarding of the winners of the Professional Competition (in each category) is carried out based on the decision of the jury members.

The winning teams of the Competition are awarded prizes:

- in the category “Snow”:
1st place - 300,000.00 rubles, 2nd place - 210,000.00 rubles, 3rd place - 150,000.00 rubles;
- in the category “Ice”:
1st place - 200,000.00 rubles, 2nd place - 150,000.00 rubles, 3rd place - 100,000.00 rubles.

The winners are awarded the Cup and Medals of the Professional Competition.

The remaining participants are awarded diplomas of participants in the Professional Competition; the Audience Choice Award, determined by public voting, in accordance with paragraph 21 of the current Provision; special prizes from sponsors and the Founder of the Professional Competition.

IX. Funding of the Professional Competition

23. Expenses related to the organization and holding of the XI Open Festival-Competition of Snow and Ice Sculptures “Magic Ice of Siberia” will be covered by the Organizer in accordance with the approved cost estimate from the Krasnoyarsk City budget, as provided for by the municipal program “Development of Culture in the City of Krasnoyarsk,” approved by the Krasnoyarsk City Administration Resolution No. 999 of November 14, 2022, with the involvement of other (extra-budgetary) funding sources.

24. Each participant in the Professional Competition will be paid a stipend for participation in the amount of 30,000.00 rubles.
